Dear Parents and Students:

I am pleased to announce that the Jordan School District is offering an Early Morning Orchestra Program at Butterfield Canyon Elementary. This program is available to all 4th, 5th, and 6th grade students who wish to learn a stringed instrument. These instruments include: Violin, Viola, Cello and Bass. The instruments will not be provided, but I will have information on where to rent one for a great price. Prior music experience is not required. This program will be \$100 per semester which ends up being \$3 a lesson.

The program will be held two to three times a week from 8am to 8:55 am before school starts. We will start the second week of school. Parents, you will need to attend the first day to get information about the class and what to expect. This meeting should last about 20-30 minutes. We will be meeting on the stage.

If you are interested in signing up for this program, please complete the Registration Form below and turn it into the office at Butterfield Canyon Elementary by August 28th.

I will have a schedule and more information coming after I receive your Registration Forms. I will send this information via email.

Thank you for your interest and if you ever have any questions, please contact me.
