

Dear Patrons:

It is important that we obtain an accurate list of all children qualifying for kindergarten for the 2018-2019 school year. If you have a child/children who will be five years of age on or before September 1, 2018, the child/children qualifies for next year's kindergarten program. Utah State laws require all school districts in Utah to abide by the same September 1st entrance cut-off date.

**In order to allow for a smooth registration process and beginning of school for your Kindergartener, we ask that you bring your child's immunization record and original legal birth certificate by March 23rd.** We suggest you apply for the birth certificate **NOW** if you don't have one already, as it does take time to complete the process. It is a state law that every child entering a public school must have current immunization and current birth certificate.

More information will be given to you at the Kindergarten Orientation on Friday, March 23rd, 2018 at 2:30 PM. If you know of a neighbor who has a qualifying kindergarten child/children, please share this information with them and tell them to call the school and register their kindergarten child/children.

If you have any questions, please call the school at (801) 254-0737.

Sincerely,

Ms. Bollinger  
Principal
